Doubles as a  
**USB FLASH DRIVE**

## Card Readers | Mini Series

The flash drive-inspired Mini USB card readers sport a compact, handy design with clearly labeled slots and a bright LED for indicating card insertion and data transfer. They include a convenient built-in USB connector and support for many different memory card formats, including high-speed Memory Stick PRO-HG Duo (RDP6) and UHS-I (RDP5).

Supports MS & microSD cards

Supports most SD & MMC cards

- Supports modern memory cards
- Plugs directly into USB port – no cables needed
- Compact and easy-to-carry
- Two-year limited warranty
